

How your investment supports microfinance & education in the Asia Pacific

Did you know that with every new loan, Thinktank donates \$100 to Good Return? This provides people living in poverty with opportunities to improve their own lives.

Thinktank donates

\$100

which becomes a microfinance loan

for Harka, so she can start a small shop in Nepal. This benefits her household of 5.

This is you.

You match Thinktank's donation, helping another family in the same way.

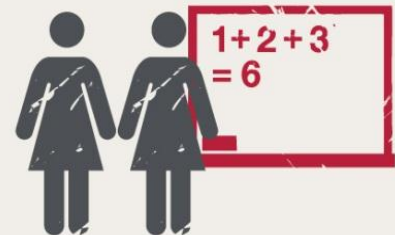

99.99% is the repayment rate of loans with Good Return
So, \$200 comes back to Good Return!

Which is re-invested into financial education for two more women.

Australian Aid contributes funds every time you do!

Your donation of \$100 is essentially tripled through matched contributions from Thinktank & Australian Aid!
