17 Custodian

17.1 Custody

The Trustee will act as custodian of the Title Documents in respect of the Purchased Receivables as described in this clause 17 (“Custodian”).

17.2 Delivery of Title Documents

On the Closing Date, the Originator agrees to deliver to the Trustee, the Title Documents in respect of the Purchased Receivables which are in its possession or control.

17.3 Standard

The Trustee must, in respect of each Title Document in respect of a Purchased Receivable that it may hold from time to time:

- (a) hold each such Title Document as custodian under this document, in electronic form or otherwise;
- (b) ensure that each such Title Document is capable of identification and is kept in a secure environment and in the same manner and to the same extent as it holds equivalent documents as trustee; and
- (c) maintain a record of physical storage of such Title Document which is held by it in physical form.

18 Benchmark Amendments

18.1 Benchmark Amendments

- (a) If, at any time, a Permanent Discontinuation Trigger occurs with respect to the Applicable Benchmark Rate that applies to the Notes at that time (a “**Benchmark Event**”), and the Trust Manager determines that amendments to any Transaction Document are necessary to give effect to the application of the applicable Fallback Rate as contemplated by Condition 6.10 (“Permanent Discontinuation Fallback”) of the Conditions (“**Benchmark Amendments**”), the parties to the relevant Transaction Documents may make such Benchmark Amendments as may be necessary to give effect to the application of the applicable Fallback Rate without the requirement of any approval from the Secured Creditors, provided that such Benchmark Amendments may only take effect on or after the Permanent Fallback Effective Date in respect of the Permanent Discontinuation Trigger for the Applicable Benchmark Rate. In relation to making any Benchmark Amendments, the Trustee will act at the direction of the Trust Manager and the Security Trustee will agree to any Benchmark Amendments agreed to by the Trustee.

- (b) None of the Trust Manager, the Trustee or the Security Trustee or any other party to the Transaction Documents have any liability to any Noteholder for either any determination of any Fallback Rate or the execution or application of any Benchmark Amendments made in accordance with this clause 18.1.

18.2 Inconsistency

Clause 18.1 (“Benchmark Amendments”) applies despite anything in the Security Trust Deed to the contrary.

19 Personal Property Securities Act

19.1 PPSA further steps

If the Trust Manager determines that:

- (a) a Transaction Document (or a transaction in connection with it, including the assignment of any Purchased Receivables and Purchased Related Securities, but excluding any Purchased Receivables or Purchased Related Securities) is or contains a security interest for the purposes of the PPSA; and
- (b) failure to perfect that security interest may materially adversely affect all or any class of Secured Creditors,

each of the Trustee, the Security Trustee, the Originator and the Servicer agrees to do anything (such as depositing documents relating to the property secured by the security interest, obtaining consents, signing and producing documents, getting documents completed and signed and supplying information) which the Trust Manager asks and reasonably considers necessary for the purposes of:

- (i) ensuring that the security interest is enforceable, perfected (including, where possible, by control in addition to registration) and otherwise effective; or
- (ii) enabling the relevant secured party to apply for any registration, give any notification, or take any other step, in connection with the security interest so that the security interest has the highest ranking priority reasonably possible; or
- (iii) enabling the relevant secured party to exercise rights in connection with the security interest.

19.2 Trustee and Security Trustee obligations

- (a) Each of the Trustee and the Security Trustee agrees to comply with any reasonable directions given to it by the Trust Manager under this clause 19 (“Personal Property Securities Act”), on the condition that:
 - (i) the directions contain sufficient detail as to the action required of the Trustee or Security Trustee (or both of them);
 - (ii) if the directions are not sufficiently detailed to enable the Trustee or Security Trustee (as applicable) to comply, the Trustee or Security Trustee (as applicable) is not required to take any action other than to inform the Trust Manager that this is the case and specify the reason the Trustee or the Security Trustee (as applicable) is unable to comply; and

- (iii) in the absence of any such directions, the Trustee or Security Trustee (as applicable) is not required to take any action with respect to the PPSA.
- (b) Neither the Trustee nor the Security Trustee is responsible or liable to any person for any loss arising in relation to the Trust or the Security Trust in connection with the registration, perfection or priority of any security interest in relation to the Transaction Documents (or any transaction in connection with a Transaction Document) under the PPSA or for acting on any directions or requests given to it under this clause 19 (“Personal Property Securities Act”) except to the extent that such loss is as a result of:
- (i) the Trustee’s or Security Trustee’s fraud or negligence; or
 - (ii) a breach by the Trustee or the Security Trustee of its obligations under this clause 19 (“Personal Property Securities Act”) is caused by fraud, negligence or wilful misconduct of the Trustee or the Security Trustee (as applicable).

19.3 PPSA terms

Unless the contrary intention appears, in this clause 19, a reference to a term defined in the PPSA has the meaning it has in the PPSA unless the contrary intention appears.

19.4 No PPSA notice required unless mandatory

A secured party in respect of a security interest referred to in this clause need not give the relevant grantor any notice under the PPSA (including a notice of a verification statement) (and for the avoidance of doubt, the grantor waives any requirement to give any such notice) unless the notice is required by the PPSA and cannot be excluded.

19.5 Information under Part 8.4 of PPSA

If the Trustee or Security Trustee is required to provide any information as a secured party under Part 8.4 of the PPSA, the Trust Manager agrees, to the extent that such information is in its possession or control:

- (a) to provide, or procure the provision of, such information to the Security Trustee or Trustee (as the case may be) within 5 Business Days of a request from that party; and
- (b) to indemnify the Security Trustee or the Trustee (as the case may be) against any liability or Costs incurred or loss suffered by the Security Trustee or Trustee (as the case may be) as a result of a breach by the Trust Manager of its obligations under paragraph (a).

20 Trustee to act in interests of Noteholders

The Trustee agrees to act in the interests of the Noteholders on the terms and conditions of the Transaction Documents.

If there is a conflict between the interests of:

- (a) the Unitholders in the Trust (on the one hand) and the Noteholders of the Trust (on the other), subject to the other Transaction Documents, the Trustee is empowered to, and must, act in the interests of the Noteholders; and

- (b) one Class of Noteholders in relation to the Trust and another Class of Noteholders of the Trust, subject to the other Transaction Documents relating to the Trust to which the Trustee is a party, the Trustee is empowered to, and must, act in the interests of the Class of Noteholders who are then the Voting Secured Creditors.

Nothing in this clause 20 creates a fiduciary relationship between the Trustee and the Noteholders.

21 Tax consolidation and GST Grouping

21.1 Membership of Consolidated Group

- (a) If the Trust is (upon being established), or subsequently becomes, a member of a Consolidated Group, the Trust Manager must:
 - (i) before the due time of a Group Tax Liability of the Consolidated Group, procure that the head company and subsidiary members of such Consolidated Group enter into a Tax Sharing Agreement that is acceptable to the Trustee acting reasonably in the circumstances, and ensure that the Tax Sharing Agreement is and remains valid at all times; and
 - (ii) procure that the head company of the Consolidated Group shall provide evidence of such a Tax Sharing Agreement being in place:
 - (A) at the time the Trust becomes a member of the Consolidated Group; and
 - (B) on each occasion that there is any alteration, amendment or replacement of a Tax Sharing Agreement covering the Group Tax Liabilities of the Consolidated Group (other than where an entity joins or leaves the Consolidated Group).
- (b) If the head company of any Consolidated Group in respect of which the Trust becomes a subsidiary member does not at the time the Trust becomes a member of the Consolidated Group, or at any subsequent time, provide evidence to the satisfaction of the Trustee (which may rely upon the advice of tax lawyers, among others) that the Group Tax Liabilities of the Consolidated Group are covered by a Tax Sharing Agreement, that apportions those Group Tax Liabilities on a basis that is acceptable to the Trustee (and the Trustee acknowledges that a nil allocation of the Group Tax Liabilities will be acceptable to it provided that such an allocation is reasonable) then the Trust Manager shall, as soon as is practicable, take steps to ensure that the Trustee is not exposed to joint and several liability to pay a Group Tax Liability, which may, but not necessarily, include directing the Trustee to take steps to ensure that the Trust ceases to be a member of that Consolidated Group.

21.2 Tax Account

In respect of any period during which the Trust is a member of a Consolidated Group, the Trust Manager must:

- (a) (if the Trust Manager determines that there will be a Tax Amount payable in the future by the Trustee in respect of the Trust) direct the Trustee in writing to open the Tax Account; and

- (b) on each Payment Date direct the Trustee in writing to set aside into the Tax Account the required Tax Amount and Tax Shortfall, as determined by the Trust Manager, from Total Available Income in accordance with clause 5.9(aa) (“Application of Total Available Income”). The Trust Manager must direct the Trustee to apply the funds in the Tax Account in paying any Tax when due and payable by the Trustee in respect of the Trust.

The Trustee is entitled to be indemnified out of the Trust Assets for any liability it incurs if the Commissioner of Taxation determines that the Trustee has a liability to pay any part of the Group Tax Liabilities of the Consolidated Group that are not able to be satisfied from the Tax Account.

21.3 Membership of GST Group

The Trust Manager:

- (a) represents and warrants that the Trust has never formed part of a GST Group; and
- (b) agrees to ensure that the Trust does not become part of a GST Group unless the Trustee and the Trust enter into an Indirect Tax Sharing Agreement that is acceptable to the Trustee acting reasonably in the circumstances (and the Trustee acknowledges that a nil or nominal allocation to the Trust in relation to any amount payable under an “indirect tax law” (as defined in the Tax Act) on being added as a member of that GST Group will be acceptable to it provided that such an allocation is reasonable), and ensure that the Indirect Tax Sharing Agreement is and remains valid at all times.

22 Fees

22.1 Trust Manager’s fee

For the purposes of clause 6.1 (“Fees”) of the Management Deed, the Trustee will pay the Trust Manager a fee monthly in arrears on each Payment Date in an amount and calculated in such manner as may be agreed between the Trustee and the Trust Manager from time to time. Any increase to that fee must not be agreed unless a Rating Notification has been provided in respect of the increase.

22.5 Standby Servicer’s fee

For the purposes of clause 8 (“Fees”) of the Standby Servicing Deed, the Trustee will pay the Standby Servicer a fee monthly in arrears on each Payment Date in an amount and calculated in such manner as may be agreed between the Trustee, the Standby Servicer and the Trust Manager from time to time. Any increase to that fee must not be agreed unless a Rating Notification has been provided in respect of the increase.

22.6 Standby Trust Manager’s fee

For the purposes of clause 8 (“Fees”) of the Standby Management Deed, the Trustee will pay the Standby Trust Manager a fee monthly in arrears on each Payment Date in an amount and calculated in such manner as may be agreed between the Trustee, the Standby Trust Manager and the Trust Manager from time to time. Any increase to that fee must not be agreed unless a Rating Notification has been provided in respect of the increase.

23 Australian Financial Services Licence

The Trust Manager may not:

- (a) arrange for the Trustee to apply for, vary or dispose of non-basic deposit products and non-cash payment products; or
- (b) provide financial product advice to the Trustee in relation to the application, acquisition, variation or disposal of non-basic deposit products and non-cash payment products.

24 Deed poll

- (a) In respect of each deed of priority executed by BNY Trust Company of Australia Limited relating to any Purchased Receivable or Purchased Related Security, the Trustee covenants in favour of the other parties to the relevant deed of priority that it will be bound by the terms of that deed of priority, as of the Closing Date.
- (b) This document is a deed poll. Each person who is expressed to have any rights under this clause 24 has the benefit of and is entitled to enforce this clause 24 (subject to the terms of this document), even if the person is not a party to this document or may not be in existence at the time it is executed.

25 Miscellaneous

25.1 Limitation of liability and other general matters

Each of:

- (a) clause 8.3 (“Limitation of Security Trustee’s liability”) of the Security Trust Deed;
- (b) clause 23 (“Notices and other communications”) of the Security Trust Deed;

25.2 Business Day Convention

Unless the contrary intention appears, in this document a reference to a particular date is a reference to that date adjusted in accordance with the Business Day Convention.

25.3 Banking Code of Practice

The parties to the Transaction Documents agree that the Banking Code of Practice (as amended, supplemented or replaced from time to time) published by the Australian Banking Association does not apply to any Transaction Document or any transaction or service under any Transaction Document.

25.4 Verification Provisions

The Originator undertakes to keep all records in relation to each Purchased Receivable required in accordance, where applicable, with any Verification Provision and give access to those records to the Trustee on request if required by the Trustee to comply with such Verification Provision.
