The Registrar must make that information available to a Noteholder upon request by that Noteholder within one Business Day of receipt of the request.

3.8 Notes not invalid if improperly issued

No Note is invalid or unenforceable on the ground that it was issued in breach of this deed poll or any other Transaction Document.

3.9 Location of the Notes

The property in the Notes for all purposes is situated where the Note Register is located.

4 Status

4.1 Status

Notes are direct, secured, limited recourse obligations of the Trustee.

4.2 Security

The Trustee's obligations in respect of the Notes are secured by the General Security Deed.

4.3 Ranking

The Notes of each Class rank equally amongst themselves.

The Classes of Notes rank against each other in the order set out in the Issue Supplement.

5 Transfer of Notes

5.1 Transfer

Noteholders may only transfer Notes in accordance with the Master Trust Deed, the Issue Supplement and these conditions.

5.2 Title

Title to Notes passes when details of the transfer are entered in the Note Register.

5.3 Transfers in whole

Notes may only be transferred in whole.

5.4 Compliance with laws

Notes may only be transferred if:

- (a) the offer or invitation giving rise to the transfer is not:
 - (i) an offer or invitation which requires disclosure to investors under Part 6D.2 of the Corporations Act; or
 - (ii) an offer to a retail client for the purposes of Chapter 7 of the Corporations Act; and
- (b) the transfer complies with any applicable law or directive of the jurisdiction where the transfer takes place.

5.5 No transfers to unincorporated associations

Noteholders may not transfer Notes to an unincorporated association.

5.6 Transfer procedures

Interests in Notes held in a Clearing System may only be transferred in accordance with the rules and regulations of that Clearing System.

Notes not held in a Clearing System may be transferred by sending a transfer form to the Specified Office of the Registrar.

To be valid, a transfer form must be:

- (a) in the form set out in Schedule 2 (“Note Transfer”) of the Note Deed Poll;
- (b) duly completed and signed by, or on behalf of, the transferor and the transferee; and
- (c) accompanied by any evidence the Registrar may require to establish that the transfer form has been duly signed.

No fee is payable to register a transfer of Notes so long as all applicable Taxes in connection with the transfer have been paid.

5.7 CHESS

Notes listed on the ASX (if any) are not:

- (a) transferred through, or registered on, the Clearing House Electronic Subregister System operated by the ASX; or
- (b) “Approved Financial Products” (as defined for the purposes of that system).

5.8 Transfers of unidentified Notes

If a Noteholder transfers some but not all of the Notes it holds and the transfer form does not identify the specific Notes transferred, the Registrar may choose which Notes registered in the name of Noteholder have been transferred. However, the aggregate Invested Amount of the Notes registered as transferred must equal the aggregate Invested Amount of the Notes expressed to be transferred in the transfer form.

6 Interest

6.1 Interest on Notes

- (a) Each Note bears interest on its Invested Amount at its Interest Rate from (and including) its Issue Date to (but excluding) the earlier of its Maturity Date and the date on which the Note is redeemed in accordance with condition 8.7 (“Final Redemption”).
- (b) Interest:
 - (i) accrues daily from and including the first day of an Interest Period to and including the last day of the Interest Period; and
 - (ii) is calculated on actual days elapsed and a year of 365 days; and
 - (iii) is payable in arrears on each Payment Date.

6.2 Interest Rate determination

The Calculation Agent must determine the Interest Rate for the Notes for an Interest Period in accordance with these conditions and the Issue Supplement.

The Interest Rate must be expressed as a percentage rate per annum.

6.3 Interest Rate

- (a) Subject to paragraph (d) below, the Interest Rate for a Note (other than a Class A1-L Note, a Class A2 Note or a Class G Note) for each Interest Period is the sum of the relevant Class Margin and the BBSW Rate determined on the Interest Determination Date for that Note and that Interest Period.
- (b) Subject to paragraph (d) below, the Interest Rate for a Class A1-L Note or a Class A2 Note:
 - (i) for each Interest Period commencing prior to the first Call Option Date is the sum of the relevant Class Margin and the BBSW Rate determined on the Interest Determination Date for that

Class A1-L Note or Class A2 Note (as applicable) and that Interest Period; and

- (ii) for each Interest Period commencing on or after the first Call Option Date is the sum of:
 - (A) the relevant Class Margin;
 - (B) the Step-Up Margin; and
 - (C) the BBSW Rate determined on the Interest Determination Date,

for that Class A1-L Note or Class A2 Note (as applicable) and that Interest Period.

- (c) Subject to paragraph (d) below, the Interest Rate for a Class G Note is:
 - (i) for each Interest Period commencing prior to the first Call Option Date, the sum of the relevant Class Margin and the BBSW Rate determined on the Interest Determination Date for that Class G Note and that Interest Period; and
 - (ii) for each Interest Period commencing on or after the first Call Option Date, zero.
- (d) If a calculation of an Interest Rate in respect of a Class of Notes and an Interest Period under this condition 6.3 produces a rate of less than zero percent, the Interest Rate in respect of that Class of Notes for that Interest Period will be zero percent.

6.4 Calculation of interest payable on Notes

As soon as practicable after determining the Interest Rate for any Note for an Interest Period, the Calculation Agent must calculate the amount of interest payable on that Note for the Interest Period. The amount of interest payable is calculated by multiplying the Interest Rate for the Interest Period, the Invested Amount of the Note and the Day Count Fraction.

6.5 Notification of Interest Rate and other things

If any Interest Period or calculation period changes, the Calculation Agent may amend its determination or calculation of any rate, amount, date or other thing. If the Calculation Agent amends any determination or calculation, it must notify the Trustee, the Trust Manager and the Noteholders. The Calculation Agent must give notice as soon as practicable after amending its determination or calculation.

6.6 Decisions and determinations are final and conclusive

All determinations, decisions, calculations, settings and elections required by this condition 6 ("Interest") and any related definitions are to be made by the Calculation Agent. Any such determination, decision, calculation, setting or election, including (without limitation) any determination with respect to the level of a benchmark, rate or spread, the adjustment of a benchmark, rate or spread or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error, may be made in the Calculation Agent's sole discretion and, notwithstanding anything to the contrary in the Transaction Documents, will become effective as made without any requirement for the consent or approval of Noteholders or any other person.

6.7 Rounding

For any determination or calculation required under these conditions:

- (a) all percentages resulting from the determination or calculation must be rounded to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.); and
- (b) all amounts that are due and payable resulting from the determination or calculation must be rounded (with halves being rounded up) to:
 - (i) in the case of Australian dollars, one cent; and
 - (ii) in the case of any other currency, the lowest amount of that currency available as legal tender in the country of that currency; and
- (c) all other figures resulting from the determination or calculation must be rounded to five decimal places (with halves being rounded up).

6.8 Default interest

If the Trustee does not pay an amount under this condition 6 (“Interest”) on the due date, then the Trustee agrees to pay interest on the unpaid amount at the last applicable Interest Rate.

Interest payable under this condition 6.8 accrues daily from (and including) the due date to (but excluding) the date the Trustee actually pays and is calculated using the Day Count Fraction.

6.9 Temporary Disruption Fallback

Subject to condition 6.10 (“Permanent Discontinuation Fallback”), if a Temporary Disruption Trigger occurs in respect of an Applicable Benchmark Rate, the rate for any day for which that Temporary Disruption Trigger is continuing and that Applicable Benchmark Rate is required will be the rate determined in accordance with the Temporary Disruption Fallback for that Applicable Benchmark Rate.

6.10 Permanent Discontinuation Fallback

If a Permanent Discontinuation Trigger occurs in respect of an Applicable Benchmark Rate, the rate for any Interest Determination Date which occurs on or following the applicable Permanent Fallback Effective Date will be the Fallback Rate determined in accordance with the Permanent Discontinuation Fallback for that Applicable Benchmark Rate.

The Calculation Agent must notify each Designated Rating Agency upon becoming aware of the occurrence of a Permanent Discontinuation Trigger and upon the commencement of the application of the applicable Fallback Rate following that Permanent Discontinuation Trigger.

7 Allocation of Charge-Offs

The Issue Supplement contains provisions for:

- (a) allocating Charge-Offs to the Notes and reducing the Stated Amount of the Notes; and
- (b) reinstating reductions in the Stated Amount of the Notes.

8 Redemption

8.1 Redemption of Notes – Maturity Date

The Trustee agrees to redeem each Note on its Maturity Date by paying to the Noteholder the Invested Amount for the Note plus all accrued and unpaid interest on the Note up to its Maturity Date and any other amount payable but unpaid with respect to the Note. However, the Trustee is not required to redeem a Note on its Maturity Date if the Trustee redeems or purchases and cancels the Note before its Maturity Date.

8.2 Redemption of Notes - Call Option

- (a) The Trust Manager may (at its option) direct the Trustee to redeem all (but not some only) of the Notes before the Maturity Date of the Notes and upon receipt of such direction the Trustee must redeem the Notes by paying to the Noteholders the Redemption Amount for the Notes.
- (b) However, the Trust Manager may only direct the Trustee to redeem the Notes under this condition 8.2 if:
 - (i) at least 10 Business Days before the proposed redemption date, the Trust Manager, on behalf of the Trustee, notifies the proposed redemption to the Registrar and the Noteholders and any stock exchange on which the Notes are listed; and
 - (ii) the proposed redemption date is a Call Option Date.

8.3 Redemption for taxation reasons

- (a) If the Trustee is required under condition 10.2 (“Withholding tax”) to deduct or withhold an amount in respect of Taxes (excluding any FATCA Withholding Tax) from a payment in respect of a Note, the Trust Manager may (at its option) direct the Trustee to redeem all (but not some only) of the Notes and upon receipt of such direction the Trustee must redeem the Notes by paying to the Noteholders the Redemption Amount for the Notes.
- (b) The Trust Manager, on behalf of the Trustee, must notify the proposed redemption to the Registrar and the Noteholders and any stock exchange on which the Notes are listed at least 20 Business Days before the proposed redemption date.
- (c) For any redemption of Notes under this condition 8.3, the proposed redemption date must be a Payment Date.

8.4 Payment of principal in accordance with Issue Supplement

Payments of principal on each Note will be made in accordance with the Issue Supplement.

8.5 Late payments

If the Trustee does not pay an amount under this condition 8 (“Redemption”) on the due date, then the Trustee agrees to pay interest on the unpaid amount at the last applicable Interest Rate.

Interest payable under this condition accrues daily from (and including) the due date to (but excluding) the date the Trustee actually pays and is calculated using the Day Count Fraction.

8.6 Trustee may purchase Notes

The Trustee may purchase Notes in the open market or otherwise at any time and at any price.

If the Trustee purchases Notes under this condition, the Trustee may hold, resell or cancel the Notes at its discretion.

8.7 Final Redemption

A Note will be finally redeemed, and the obligations of the Trustee with respect to the payment of the Invested Amount of that Note will be finally discharged, on the date upon which the Invested Amount of that Note is reduced to zero.

9 Payments

9.1 Payments to Noteholders

The Trustee agrees to pay:

- (a) interest and amounts of principal (other than a payment due on the Maturity Date) in respect of a Note to the person who is the Noteholder of that Note as at close of business on the Record Date in the place where the Note Register is maintained; and
- (b) amounts due on the Maturity Date to the person who is the Noteholder at 4.00pm on the due date in the place where the Note Register is maintained.

9.2 Payments to accounts

The Trustee agrees to make payments in respect of a Note:

- (a) if the Note is held in a Clearing System, by crediting on the Payment Date, the amount due to the account previously notified by the Clearing System to the Trustee and the Registrar in accordance with the Clearing System's rules and regulations in the country of the currency in which the Note is denominated; and
- (b) if the Note is not held in a Clearing System, by crediting on the Payment Date, the amount due to an account previously notified by the Noteholder to the Trustee and the Registrar in the country of the currency in which the Note is denominated.

9.3 Payments subject to law

All payments are subject to applicable law. However, this does not limit condition 10 ("Taxation").

9.4 Currency indemnity

The Trustee waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Noteholder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its costs in connection with the conversion; and

- (b) the Trustee satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

10 Taxation

10.1 No set-off, counterclaim or deductions

The Trustee agrees to make all payments in respect of a Note in full without set-off or counterclaim, and without any withholding or deduction in respect of Taxes, unless such withholding or deduction is made under or in connection with, or to ensure compliance with, FATCA, or is required by law.

10.2 Withholding tax

If a law (including FATCA) requires the Trustee to withhold or deduct an amount in respect of Taxes (including, without limitation, any FATCA Withholding Tax) from a payment in respect of a Note, then (at the direction of the Trust Manager):

- (a) the Trustee agrees to withhold or deduct the amount; and
- (b) the Trustee agrees to pay an amount equal to the amount withheld or deducted to the relevant authority in accordance with applicable law.

The Trustee is not liable to pay any additional amount to the Noteholder in respect of any such withholding or deduction (including, without limitation, any FATCA Withholding Tax).

10.3 Information reporting

- (a) Promptly upon request, each Noteholder shall provide to the Trustee (or other person responsible for FATCA reporting or delivery of information under FATCA) with information sufficient to allow the Trustee to perform its FATCA reporting obligations, including properly completed and signed tax certifications:
 - (i) IRS Form W-9 (or applicable successor form) in the case of a Noteholder that is a “United States Person” within the meaning of the United States Internal Revenue Code of 1986; or
 - (ii) the appropriate IRS Form W-8 (or applicable successor form) in the case of a Noteholder that is not a “United States Person” within the meaning of the United States Internal Revenue Code of 1986.
- (b) If the Trust Manager determines that the Trustee has made a “foreign passthru payment” (as that term is or will at the relevant time be defined under FATCA), the Trust Manager shall provide notice of such payment to the Trustee, and, to the extent reasonably requested by the Trustee, the Trust Manager shall provide the Trustee with any non-confidential information provided by Noteholders in its possession that would assist the Trustee in determining whether or not, and to what extent, FATCA Withholding Tax is applicable to such payment on the Notes.

11 Time limit for claims

A claim against the Trustee for a payment under a Note is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.

12 General

12.1 Role of Calculation Agent

In performing calculations under these conditions, the Calculation Agent is not an agent or trustee for the benefit of and has no fiduciary duty to or other fiduciary relationship with, any Noteholder.

12.2 Meetings of Secured Creditors

The Security Trust Deed contains provisions for convening meetings of the Secured Creditors to consider any matter affecting their interests, including any variation of these conditions.

13 Notices

13.1 Notices to Noteholders

All notices and other communications to Noteholders must be in writing and must be:

- (b) given by an advertisement published in:
 - (i) the Australian Financial Review or The Australian; or
 - (ii) if the Issue Supplement specifies an additional or alternate newspaper, that additional or alternate newspaper;
- (c) posted on an electronic source approved by the Trust Manager and generally accepted for notices of that type (such as Bloomberg or LSEG);
- (d) distributed through the Clearing System in which the Notes are held; or
- (e) in relation to any Notes which are listed on the ASX, announced on the ASX.

13.2 When effective

Communications take effect from the time they are received or taken to be received (whichever happens first) unless a later time is specified in them.

13.3 When taken to be received

Communications are taken to be received:

- (a) if published in a newspaper, on the first date published in all the required newspapers;
- (b) if sent by post, seven days after posting (or eleven days after posting if sent from one country to another); or
- (c) if posted on an electronic source, distributed through a Clearing System or announced on the ASX, on the date of such posting, distribution or announcement (as applicable).

14 Governing law

14.1 Governing law and jurisdiction

These conditions are governed by the law in force in New South Wales. The Trustee and each Noteholder submit to the non-exclusive jurisdiction of the courts of that place.

14.2 Serving documents

Without preventing any other method of service, any document in any court action in connection with any Notes may be served on the Trustee by being delivered to or left at the Trustee's address for service of notices in accordance with clause 23 ("Notices and other communications") of the Security Trust Deed.

15 Limitation of liability

The Trustee's liability to the Noteholders of the Trust (and any person claiming through or under a Noteholder of the Trust) in connection with this deed poll and the other Transaction Documents of the Trust is limited in accordance with clause 18 ("Indemnity and limitation of liability") of the Master Trust Deed.
