Thinktank Property Finance

Thinktank is one of Australia's leading specialist property finance providers to the self-employed/SME/SMSF sectors. Established in 2006, Thinktank has financed in excess of \$10 billion in residential and commercial property loans to Australian businesses and experienced property investors with a proud record marked by excellence in credit quality management, loan portfolio performance and stakeholder relations.

To date, Thinktank has issued over \$6.75 billion independently rated (Standard and Poor's and Fitch) commercial and residential Mortgage Backed Securities to global institutional and wholesale bondholders. In its seventeen years of operation, Thinktank has never missed a single scheduled interest or principal payment to its funders and investors.

Since inception in 2017, the Income Bonds have met the targeted return on every payment date.

The founders and executive management team of Thinktank are all highly experienced banking and property professionals with specific expertise in identifying and managing risk through economic and credit cycles.

Thinktank's Income Bonds offer exposure to a diversified portfolio of commercial and residential mortgages.
